Presentation Letter

We would like to take this opportunity to introduce our company **PROMPT AERO SERVICES, INC.** PAS is an FAA Certified Repair Station No. O78R205Y and EASA 145.6013 specializing in repair, modifications and overhaul of accessories.

Prompt Aero Services, Inc. is committed to respond to all our client's needs with real-time, one-on-one customer support. Our experienced professionals are proactive in communicating any issues relative to each work order. We take pride in ensuring that our clients receive unmatched service and quality - on time, every time.

We look forward to an opportunity to be of service in the future and appreciate your time and consideration.

Warranty

This warranty is offered by **Prompt Aero Services, Inc.** (PAS) in respect to aircraft articles which is repaired or overhauled by **PAS** to the customer's instructions.

PAS warrants that subject to all the terms of this warranty, the article will be free from defects resulting from:

- Faulty workmanship by **PAS** during the repair or overhauled.
- Faulty materials in spare parts used as replacements during the repair and /or overhaul.

This warranty shall take effect immediately from the receipt of the article by the customer and will remain in force for a period of "eighteen months "(18) from that date, and relates to all such defects discovered within the warranty period. **PAS** will not be obligated to repair any article if defect are due to improper article use, handling, tampering, or stored and maintained in a manner not consisting with sound aviation practice. All seals on safety wire must be intact. This warranty does not extend to normal wear and tear and accidental or consequential damaged.

Subject to confirming the validity of any claim under this Warranty, **PAS** will, without charge, repair any defective article and will also pay reasonable packing and transportation charges.

Any article alleged to be defective under this Warranty shall be returned correctly identified and packaged to **PAS**. Following rectification the balance of the warranty period remaining shall run from the date the unit is again received by the operator.

FAA Certification

DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION

Air Agency Certificate

Number 07222597

This certificate is issued to
FRIGHT AGENC SERVICES, INC.
whose business address is
7900 West 29th Court
Hialeah, Florida 33122

upon finding that its organization complies in all respects
with the requirements of the Federal Aviation Regulations
relating to the establishment of an Air Agency, and is

September 3, 2008

By  Administrator

John E. Berman

Signature Number 07222597-02

This certificate is not transferable, nor can it be used to certify any other person or organization, and it is not valid unless the holder complies with the conditions of the certificate.

Any violation of the conditions of this certificate is punishable by a fine of not exceeding \$5,000 or imprisonment not exceeding 3 years, or both.

EASA Certification

 European Aviation Safety Agency

APPROVAL CERTIFICATE

REFERENCE EASA.145.6013

Taking into account the provisions of Article 9(2) of Regulation(EC) 1592/2002 of the European Parliament and of the Council and the bilateral agreements currently in force between European Union Member States and the Government of the United States of America, the European Aviation Safety Agency (EASA) hereby certifies:

PROMPT AERO SERVICES, Inc.

FAA NUMBER: O78R205Y
7800 West 25th Court
Hialeah, Florida 33016
USA

as a Part-145 maintenance organisation approved to maintain the products listed in the FAA Air Agency Certificate and associated Operations Specifications and issue related certificates of release to service using the above reference, subject to the following conditions:

1. The scope of the approval is limited to that specified on the FAR Part 145 repair station Air Agency Certificate, and the associated Operations Specifications for work carried out in the USA (unless otherwise agreed in a particular case by EASA).
2. This approval requires continued compliance with FAR Part 145 and the differences as specified in the Maintenance Implementation Procedures, including the use of the FAA Form 8130-3 for release/return to service of components up to and including powerplants.
3. Certificates of return to service must quote the EASA Part-145 approval reference number quoted above and the FAR Part 145 Air Agency Certificate number.
4. Subject to compliance with the foregoing conditions, this approval shall remain valid for an unlimited duration until the approval is surrendered, superseded, suspended or revoked.

Date of issue **01 December 2006**

Facilities

- Facility – 10800 sq. ft.
 - 2 Skydrol test stands (WBP)
 - 1 red oil stand
 - 1 fuel stand
 - 1 pneumatic stand
- Capabilities include:
 - Hydraulic
 - Electrical
 - Mechanical
 - Pneumatic
 - Fuel
- Support Capabilities
 - Machine Shop
 - Paint Cell

Aircraft Capability

- PASI specialized components

- Very competitive pricing
 - Flat rate when available

- Excellent TAT

- Information available for:

- 727

- 737

- 737NG

- 747

- 757

- 767

- DC9/MD80

- DC10/MD11

Competitive Price

Flexible Agreements

Inventory Management

Rotable exchanges available

Capabilities

■ Actuators

■ Types

- Landing Gear Actuators
- Servo actuators
- Pneumatic Actuators

■ Locking

- Single and Multi-Locking
 - Mechanical (i.e. Ram, Toggle) Hydraulic
